

# MARSHALS CHECKLIST

## DURING THE PROTEST

Control the participants at the gathering

Keep a copy of the route

Help guide the participants along the prescribed route

Help ensure the protest complies with the notice

Help distribute copies of prohibited conduct to participants

Ensure reasonable access to buildings or premises

Ensure access to hospitals, fire and police stations and other emergency services is not barred by participants

Take reasonable steps to ensure no participant has possession of firearms or dangerous weapons

Take reasonable steps to ensure no participant compels, or tries to compel, another person to participate against their will

Help monitor and keep photographic and video records of any incidents with police, or otherwise, that can help with later cases
